Permit no: GA

Ref. No. V/1/3/2/4/2

PERMIT FOR THE IMPORT OF GAME ANIMALS FROM BOTSWANA TO NAMIBIA

(Issued in terms of the Animal Diseases and Parasite act, no.13 of 1956, as amended)

Permission is hereby granted to:

Name:

Address:

to import the following animals from Botswana to Namibia:

.....

via.....border post to

.....
 (Farm name at final destination) (District)

subject to the following conditions:

1. The consignment must be accompanied by this original permit.
2. A veterinarian authorised thereto by the Veterinary Authority of Botswana must certify the health requirements on the certificate overleaf or on a health certificate conforming thereto. In the latter case reference must be made to the Namibian import permit number;
3. The consignment must be transported directly to Namibia by the shortest route and animals may not come into contact with any other animals during transport.
4. The animals must be transported in trucks sealed under official veterinary supervision with seal numbers enumerated on the veterinary health certificate. Seals may not be broken without authorization by a Namibian veterinary official.
5. The State Veterinarian telephone: must be advised timeously of the intended date of arrival of the animals in Namibia. Upon arrival in Namibia the animals must
 be transported directly to the State Veterinary office..... for inspection of seals and documentation. Authorisation to move the animals to the final destination will be given provided all the import requirements have been complied with.
6. The State Veterinarian, telephone: must immediately be informed of arrival of the animals at the final destination indicated above. Animals will be restricted to the premises at the final destination for three weeks following importation during which period they must be available for inspection by a veterinary official.
7. This permit is valid until and for one movement only.

DIRECTOR OF VETERINARY SERVICES

VETERINARY HEALTH CERTIFICATE

I, a veterinarian authorized thereto by the Veterinary Authority of Botswana hereby certify that:

1. The animals originate from the OIE recognised foot and mouth disease free zone in Botswana and an area not under restriction for any disease to which the species are susceptible. The animals were kept at the premises of origin since birth or at least for the past three months. During this period the animals to be exported did not come into contact with any animals of unequal health status;
2. The animals were under veterinary surveillance for at least thirty (30) days prior to movement to Namibia during which time they were found clinically healthy and free from infectious diseases;
3. Immediately prior to departure the animals were treated with:
 - 3.1. A registered broad-spectrum anthelmintic against roundworms.
 - 3.2. A registered tickicidal agent with residual effect.
 - 3.3. A registered agent fatal to Oestridae larvae.

4. Description of animals:

.....
.....
.....
.....

5. The animals were inspected on the day of loading and found healthy and fit to travel. Animals were loaded onto clean trucks which were sealed under official veterinary supervision.
